An Evening of Iraqi-Jewish Culture

Join JIMENA: Jews Indigenous to the Middle East and North Africa for a special evening of Mizrahi film, food and conversation. The evening will include a buffet dinner of Israeli food infused with Iraqi flair, and a film screening of The Dove Flyer: Farewell Baghdad.

ABOUT THE FILM:

Based on the autobiographical blockbuster novel by Eli Amir, The Dove Flyer directed by Nissim Dayan recalls a lost time when over 130,000 Jews lived in Iraq. We follow the teenage Kabi as he navigates the final years of the community's existence in Iraq, before its expulsion and resettlement to 1950s Israel.
